## Are you homeless now or on the verge of being homeless?

### Help is standing by 24 x 7.

Housing is a basic human right, that's why in 2012 Palm Beach County opened its first single-point of access location to connect homeless individuals and families to services, resources and housing. The Senator Philip D. Lewis Center offers hope for a home, a job an end to your homelessness.

Accessing services at The Lewis Center – What you need to know:

You can get a referral to the Lewis Center on a 24-hour basis, 365 days per year. However, you cannot go directly to the Lewis Center to access services without first receiving a screening from a provider partner.

First step is to call 561-904-7900 to request a referral in to the Lewis Center.
