

Curveball

What are some of the basic needs of a human being? Water, clothes, love, food and shelter to protect yourself and loved ones. Being homeless is difficult when there's no forewarning, who knows when life's going to throw them a curveball? Where you're faced with this circumstance. We in the community have a way we can help the homeless no matter from what angle we choose. T's 4 hope helps raise money for the homeless by selling custom T-Shirts to help fund food drives, soup kitchens and awareness for the homeless. If you're a person of the community that understands hardships and would like to make a change, donate to our Go Fund Me page and follow us on all platforms to see your difference
Peace Love & T's 4 Hope To All.
